MEMORANDUM

Date: October 31, 2006
Re: Commercial Building Inspections
To: Commercial Permit Holders
From: J. Bradley Hudson
Building Official

The following is a list of the normal commercial inspections required for a building. Choose the appropriate inspections needed. There may be required inspections not listed, these inspections must be performed prior to concealment.

Commercial inspections are not to be called in as a "Rough-in All" or a "Final All". Each inspection shall be requested as a separate inspection and printed on a separate inspection ticket.

Note this list does not include any special inspections required by Chapter 17 or the International Building Code.

Failure to call in the correct inspection request may cause the inspection to be delayed and performed the following business day.

Plumbing	Ground works Rough in Water line (outside of building) Sewer line (outside of building) Final	Propane gas	Line inside Line outside Tank (prior to burial)
Electrical	Under slab conduit Rough in Service Above ceiling (for dropped ceilings) Trenching (outside of building) Fire alarm testing Final	Sprinkler systems	Underground flush Underground hydro test Above ground hydro test Fire pump test Final

In accordance with 1.7.1.a of the King George County Zoning Ordinance. Prior to the initiation of an application by the owner of the subject property, the owner's agent, or any entity in which the owner holds an ownership interest greater than 50 percent, for a special exception, special use permit, variance, rezoning, or other land disturbing permit, including building permits and erosion and sediment control permits, or prior to the issuance of final approval, the authorizing body may require the applicant to produce satisfactory evidence that any delinquent real estate taxes, nuisance charges, stormwater management utility fees, and any other charges that constitute a lien on the subject property, that are owned to the locality and have been properly assessed against the subject property, have been paid, unless otherwise authorized by the treasurer. Upon receipt of an application, together with supplementary materials and payment of the application fee and provision of proof that all outstanding payments set forth this section have been paid and satisfied. The zoning administrator may waive this requirement for reasons of health, safety or public welfare, provided that the applicant or owner has entered into a plan with the County Treasurer to pay all delinquent taxes, fees and charges as set for the in this ordinance.

TITLE 54.1-1111. Prerequisites to obtaining building, etc., permit. Any person applying to the building official or any other authority of a county, city, or town in this Commonwealth, charged with the duty of issuing building or other permits for the construction of any building, highway, sewer, or structure, or any removal, grading or improvement shall furnish prior to the issuance of the permit, either (i) satisfactory proof to such official or authority that he is duly licensed or certified under the terms of this chapter to carry out or superintend the same, or (ii) file a written statement, that he is not subject to licensure or certification as a contractor or subcontractor pursuant to this chapter. The applicant shall also furnish satisfactory proof that the taxes or license fees required by any county, city, or town have been paid to be qualified to bid upon or contract for the work for which the permit has been applied.

TITLE 54.1-1101 (Exemptions)-The provisions of this chapter shall not apply to: **(Please check the appropriate box).**

- Any person who performs or supervises the construction, removal, repair, or improvement of no more than one primary residence owned by him and for his own use during any 24-month period.
- Any person who performs or supervises the construction, removal, repair, or improvement of a house upon his own real property as a bona fide gift to a member of his immediate family provided such member lives in the house. For purposes of this section, "immediate family" includes one's mother, father, son, daughter, brother, sister, grandchild, grandparent, mother-in-law and father-in-law.
- Any person who performs or supervises the repair or improvement of industrial or manufacturing facilities, or a commercial or retail building, for his own use.
- Any Person who performs or supervises the repair or improvement of residential dwelling units owned by him that are subject to the Virginia Residential Landlord and Tenant Act (§55.1-1200 et seq.)
- Work undertaken by students as part of a career and technical education project as defined in § 22.1-228 established by any school board in accordance with Article 5 (§ 22.1-228 et seq.) of Chapter 13 of Title 22.1 for the construction of portable classrooms or single family homes;

NOTICE:

I hereby affirm that I have read Title 54.1-1111 Code of Virginia above and fully understand the contents thereof; that I am not subject to licensure as a contractor or subcontractor. I **further affirm that I will be solely responsible for all construction on the described property allowed by the permit(s) hereby issued.** If the work is performed by any other person or firm employed by me, that person or firm must comply with state and local contractor licensing laws.
