WHAT IS AMBULANCE FEE FOR SERVICE?

Ambulance Fee For Service, also called third-party billing, is a way for King George County to obtain financial reimbursement for the cost of providing necessary emergency medical transports.

Reimbursements will come directly from Medicaid, Medicare and other private insurance companies who already include this service in the coverage they offer to the people they insure.

MOST IMPORTANTLY...

NO ONE will be denied care when there is medical necessity for emergency transport...

COMPASSIONATE BILLING...

Compassionate billing is intended to eliminate or minimize out-of-pocket expenses for ambulance services for those that do not have the means to pay. Priority may be given to County residents. **The County regards taxes paid by our residents as covering co-pays and/or deductibles for ambulance service, for ALL persons living in a household paying King George taxes.**

ANY PERSON LACKING HEALTH INSURANCE, and requiring emergency medical transport, may submit a request for waiver stating a financial hardship. Appropriate financial documentation will be required. **Persons that reside in a household with an income less than the most recent *annual median income for King George County, shall be eligible for a waiver of fees.**

*Annual median income as determined by the U.S. Census Bureau.
